that cannot be broken.

present hastened to throw in their lot with
"The Lady of the Night," but some came
from her following to us. Among the former was an under officer of Nyleptha's own

guard, who suddenly turned and made a run

of horses and the rolling of chariots.

CHAPTER XIX.

A STRANGE WEDDING.

bitter, and if she prevails she will not spare. Who can read the future! Happiness is the

will others bloom that we shall never see."

And she lifted her sweet face to him and

believe they were right.
So I went back to our quarters, and rumi-

dying ox.

And in about an hour's time Sir Henry

came tearing over, looking very radiant and wildly excited, and found Good and myself,

and even Umslopogans, and asked us if we should like to assist at a real wedding. Of course we said yes, and off we went to the chapel, where we found Agon looking as

sulky as any high priest possibly could; and no wonder. It appeared that he and Nylep-tha had had a slight difference of opinion about the coming ceremony. He had flatly refused to celebrate it, or to allow any of his

cause that is his natural vocation; and if thou wilt not marry me, O Agon! thou shalt

"Thou scest," she said, when the excited "Thou sceet," she said, when the excited murmur of the speciators had died away, addressing her siter as Sir Henry rose to his feet, "I have put my collar round the wolf's neck," and behold he shall be my watch dog, and that is my answer to thee, Socais, my sister, and to those with thee, Fear not," she went on, smiling sweetly on her lover, and pointing to the golden snake she had twined round his massive throat. "If my roke be heavy, yet is it of pure gold, and it

yele be heavy, yet is it of pure gold, and it shall not gall thee."

Then, turning to the audience, she continued, in a clear proud tone: "Ay, Lady of the Night, lords, priests, and people here gathered together, by this sign do I take the foreigner o husband, even here in the face of ye all. What, am I a queen, and yet not free to choose the man whom I will love! Then should I be lower than the meanest girl in all my provinces. Nay, he hath won my heart, and with it goes my hand and throne and all and with it goes my hand and throne and all I have—ay, had be been a beggar instead of a great lord, fairer and stronger than ony here, and having more wisdom and knowl-edge of strange thing, I had given him all; how much more so, then, being what he is!"
And she took his hard and gazed proudly on And she took his hand and gazet prostly on him, and holding it, stood there boldly facing the people. And such was her sweet-ness, and the power and dignity of her per-son, and so beautiful she looked standing hand in hand there at her lover's side, so sure of him and of herself, and so ready to risk all things and endure all things for him, that most of those who saw the sight, which I caught the fire from her eyes and the happy color from her blushing face, and cheered her like wild things. It was a bold stroke for her to make, and it appealed to the imagination;

hreak a rule, and is moreover peculiarly sus-ceptible to appeals to its poetical side.

And so the people cheered till the roof rang;
but "Sorais of the Night" stood there with awfulness of her jealous anger she trembled ing and influence while there was a possibility and turned white like an aspen in the wind. of stamping us out. Also be knew that we I think I have said somewhere of her that she the same aspect of sleeping power about her. Well, it was all awake now, and, like the fascinated me. A really hansdome woman Those destring the prescription, which will but such beauty and such a rage I never saw constituent please address, REV EDWARD A. the effect produced was well worthy of the

> set, and the e were purple rings beneath her glowing eyes. Three she tried to speak, and thries of fairl, but at list he voice came, talsing her ...,ear, she shook it, and the light glanced from it and from the golden scales of her cuirns.
>
> "And thinkest thou, Nyieptha," she said, in

> notes which pealed through the great hall like a clarron—"thinkest thou that I, a queen of the Zu-Vendi, will brook that this base outlander shall sit upon my father's throne, and reer up half breeds to fill the place of the great Louse of the Stairway? Never! never! while there is life in my bosom and a man to

And stood there boldly facing the people. "Now hand thou over this foreign welf, and doom of fire, for have they not committed the deadly sin against the Sant or, Nyleptha, I give thee war—red war! Ay, I say to thee n thy ears ring the groans of the dying and fatheriess forever and forever.
"I tell thee I will tear thee, Nyleptin, the

White Queen, from thy throne, and thou shalt be hurled—ay, hurled, even from the topmost stair of the great way to the foot thereof, in that thou hast covereised the name of the house of him who built it with black shame. And I tell ye, strangers, all save thou, Boug-wan, whom because thou dillst me a service I head vigorously, and ejaculated, "Can't be done," in English), "that I will wrap you in sheets of gold and hang you yet alive in chains from the four golden trumpets of the four angels that fly east and west, and north and south from the giddiest pinnacles of the temple, so that ye may be a token and a warning to the land. And as for thee, Incuba,

sion shock her like a storm, and a murmur, partly of horror and partly of admiration, ran through the hall. Then Nyleptha an-

swered calmly and with dignity.

"Ill would it become my place and dignity,
O sister, so to speak as thou hast spoken, and so to threat as thou hast threatened. Yet if thou will make war, then will I strive to bear up against thee; for if my hand seem soft, yet shalt thou find it of iron when its grips thine armies by the throat. Sorais, I fear thee not. I weep for that which thou will bring upon our people and thyself, but for myself 1 say-1 fear thee not. Yet thou, who but yesterday didst strive to win my lover and my lord from me, whom today my sleeping place—ay, even by a secret way, and wouldst have foully murdered me, thy

be placed before the altar yonder, with naught but a litte water till such time as naught but a litte water till such time as thou hast reconsidered the matter."

Now, as it happened, Agon had been hur-ried away that morning without his break-fast, and was already exceedingly hungry, so he presently motified his views and consented to marry them, saying at the same time that he washed his hands of all responsibility in sister, as I lay asleep"—
"It is false! it is false!" rang out Agon's and a score of other voices.
"It is not false," said I, producing the

Sorais?"

"It is not false," cried Good, determined at last to act like a loyal man. "I took her by the queen's bed, and on my breast the dager broke."

"Who is on my side?" cried Sorais, shaking her silver spear, for she saw that public sympathy was turning against her. "What, Bougwan, thou consent not?" she said, addressing Goosi, who was standing close to her, in a stow, concentrated voice. "Thou pale souled fool! for a reward thou shalt eat out thy heart with love of me and not be satisfied, and thou mightest have been my husband and king! At least I hold thee in chains

altar, and after a little pause, in a slow, clear voice uttered the following words, which are customary in Zu-Vendis if the bride desires "War! war! war!" she cried. "Here with my hand upon the sacred stone that shall en-dure, so runs the prophecy, till the Zu-Vendi set their necks beneath the alien yoke, I de-clare war to the end. Who follows Sorais of

and the man consents:
"Thou dost swear by the Sun that thou wilt take no other woman to wife unless I lay my hand upon her and bid her come?" "I swear it," added Str Henry, adding in the Night to victory and honor?"
Instantly the whole concourse began to break up in indescribable confusion. Many English, "One is quite enough for me. (CONTINUED NEXT WEEK.)

In and About the School.

Parents, you ought to visit the schools guard, who suddenly turned and made a run for the doorway through which Sorais' people were already passing. Umslopognas, who was present and had taken the whole scene in, seeing with admirable presence of mind that if the soldier got away others would follow his example, seized the man, who drew his sword and struck at him. Thereupon the Zulu sprang back with a shout, and avoiding the resolution are being made upon the province of the control of the c the sword cuts began to peck at his fee with his terrible ax, till in a few seconds the man's fate overtook him, and he fell with a clash heavily and quite dead upon the marble floor.

The way the feet habits are being made upon the measure, shape their future; there character is framing; there habits are being made upon the contracted, in short, the pupil is re-This was the first blood spilled in the war, contracted, in short, the pupil is re-"Shut the gates!" I shouted, thinking that cerving impressions that will influence we might perhaps catch Serais so. But the order came too inte, her guards were already him in all the vicissitudes of this life. and, forecoth, be a prominent factor in passing through them, and in another minute and, for sooth, be a prominent factor in the streets echoed with the furious galloping the weal or woe of the life beyond. It is the imperative duty of parents to So, drawing half the people after her, So-rais was soon passing like a whirlwind through visit the schools, for reasons too numerous to mention. Some of the most the Frowning City on her road to her head-quarters at M'Arstuna, a fortress situated 150 potent reasons are: miles to the north of Milosis.

And after that the city was alive with the

Liar No. 3-"I was down East one year and belped to fill ice-houses. We would just fill them with pure water, ATTORNEY : AT : LAW. keep the water from freezing." Then the fourth liar, and the man

who "has-seen-better-days-and-quitdrinking-and-was-just-going-under-thewater - the - third-time-when-some-onesaved-him," said: "I saw it so cold one year that when a fellow would whistle, the tune would freeze to his lips. If he whistled the tune in a perfect manner, the notes would form and he would have to break them off. One time when the church organ got out of fix, I went out into the air and whistied the doxology. Then I broke it off and put it in the organ. When the ortled the doxology. Then I broke it off ganist pumped air through the ley

BUILDING RAILROADS

Railroads are made, not born. If they were there wouldn't be anything else in this country, and a good, live, gentle railroad, and one that is warranted not to get drunk and stay out. late o'nights, is almost as hard to get as a wife. A railroad is not as serviceable Will practice in Ohio and adjacent coun

which ought not to be, have made the American people a nation of dyspeptics. But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bettle. been given. A company has contracted to build the road if we secure them is the right of way and enough money to pay for the survey through the county. I will visit Hartford as seen as possible for that purpose."
